md for testing

some code quotes

Nothing runs - even in marked as `cmd`

```
ls .
```

```
ls .
```

```
ls .
```

```
const date = Date.now()
console.log(date.toString())
```
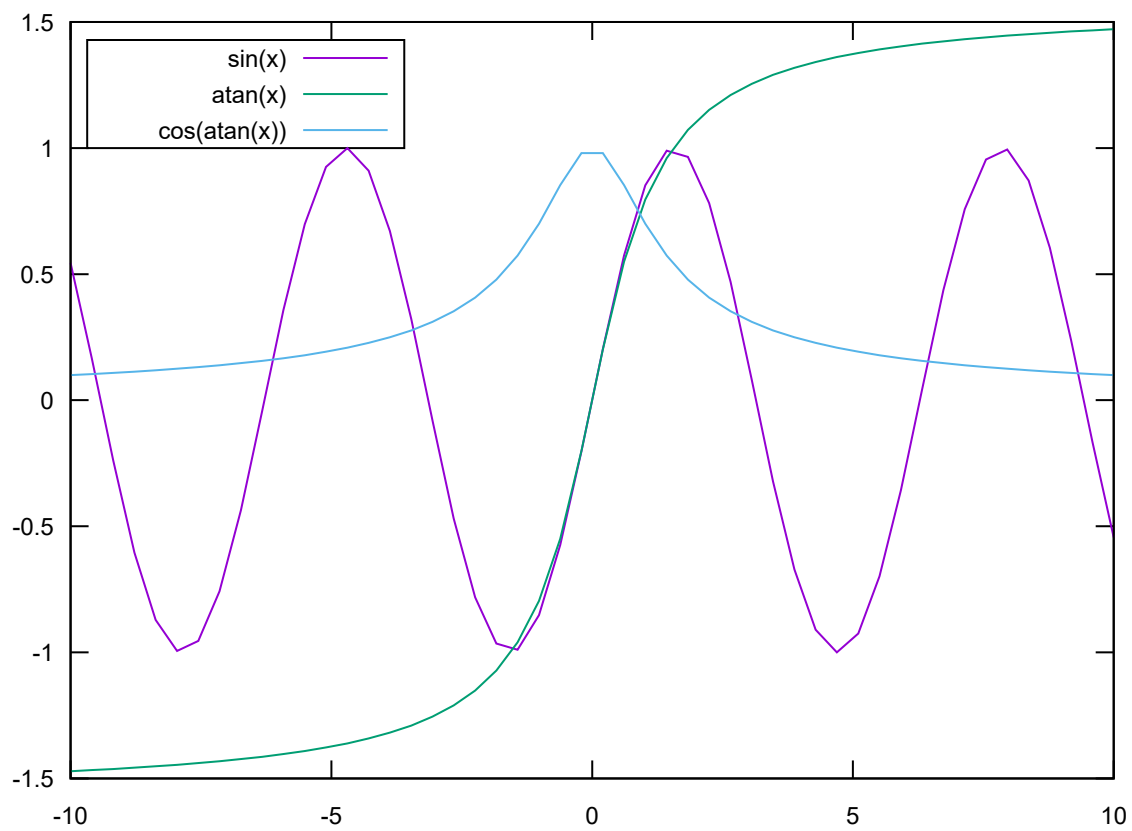

```
set terminal svg
set title "Simple Plots" font ",20"
set key left box
set samples 50
set style data points

plot [-10:10] sin(x),atan(x),cos(atan(x))
```

import tests

import svg

Simple Plots

Legend:
- sin(x)
- atan(x)
- cos(atan(x))

import png

Simple Plots

figure style

Simple Plots
